# Infrastructure

- **The challenge:**
  - Financial constraints (\$3000 - \$5000/year income)
- **The solution:**
  - Dignified, yet cost-efficient construction
  - Combo house-latrine
  - Subsidized construction costs
    - Volunteer labor from family
    - Some community-sourced materials
    - Fundraising from brigaders
  - Long-term repayment plan
  - After repaying the house, eligible for low-interest home repair and improvement loans

- Housing program
- ◆ “Standard” house
  - ◆ Latrine
  - ◆ Home repair loans
